# THE FUTURE OF PAYMENTS AND DIGITAL ASSETS

## CALL FOR PAPERS

**14-15 SEPTEMBER 2023**

Bocconi University  
Milan

ORGANIZED BY

**Algorand Fintech Lab**  
Bocconi University

jointly with  
CEPR Research and Policy  
Network on FinTech and Digital  
Currencies

**Bocconi University Algorand Fintech Lab** jointly with **CEPR Research and Policy Network on FinTech and Digital Currencies** invite submissions for a two-day conference on **The Future of Payments and Digital Assets**.

The goal of the conference is to contribute to the debate between researchers, regulators and policy makers on topics related to:

- **Digital currencies and their regulation**
- **The effect of new payment systems on financial intermediation**
- **Digital assets and their impact on financial markets**
- **The value added of Distributed Ledger Technologies.**

Papers from all areas of economics and finance with a connection to these topics are welcome.

### KEYNOTE SPEAKERS

**HYUN SONG SHIN** Bank for International Settlements and CEPR  
**XAVIER VIVES** IESE Business School and CEPR

The conference will be held at **Bocconi University** on **14–15 September 2023**. Travel and accommodation costs incurred by presenting authors will be covered by the conference organizers.

### HOW TO APPLY

Submissions in PDF should be received before **15 MAY 2023**. To submit a paper please complete the form at this link:

[APPLICATION FORM](#)
